Multi-award winning Dunoon has an old-fashioned view of what a hotel should provide: character, value and quality. And by quality, we mean great food, hospitality and comfort. Amid the oak panels and antiques, the atmosphere is warm and relaxed, the service personal and attentive.

The AA Two Rosette food is fine, flavoursome and sourced locally; prepared and served with care and in surroundings that lend just the right sense of occasion. Our AA Notable Wine List is nothing short of spectacular: lengthy, adventurous, but still approachable. Private dining and small conference rooms available.

The owners' ethos shows in the individuality and finish of the rooms, in attention to detail and appreciation of the understated luxuries that separate the grand from the bland: crisp white cotton sheets, fluffy towels, Molton Brown toiletries in every bathroom, pressed linen napkins and elegant silverware on the tables. Excellently located for the shops and promenade.

86% AA Merit Rating.
